

Sussex Hive ATG Bowling Evening

On a windy evening in February interested members met for a game or two of bowling followed by a meal at Bella Italia in Crawley. The bowling alley was much busier than expected, possibly due to it being half term in adjoining counties. Once most had arrived we made our way to our lanes, sorted out who was on which lanes and commenced bowling. There was much applause when strikes and spares were achieved, while groans and commiserations greeted 'Gutterballs'. As all of these interspersed the games, it was interesting to listen to. While some players were revisiting their youth, others were coming to grips with the game and scoring. Overall we all had fun, many happily improving their score between the 2 games. Congratulations to Yvonne who was the Champion of the evening - and the wooden spoon went to Sarah!

We then left the Hollywood bowl and moved along to the restaurant. Despite having to wait for an hour for our meal to arrive - the food was good - the company was better, and a good time was had by everyone! All in all, it was a very enjoyable evening.
